## **Crushed Car Trailers Reach A New Level**

**Crushed Car Trailers have reached new levels of efficiency with the 51' Single Drop Crushed Car Hauler from JMH Trailers Inc.**

### **JMH Trailer's Monster CCH - Crushed Car Hauler** **The Ultimate Crushed Car Hauler**

**This extra heavy-duty crushed car hauler is the latest in the series of crushed car trailers from JMH Trailers Inc. targeting the crushed car recycling industry.**

The [JMH Crushed Car Trailer](#) comes with a long list of standard features and custom options consisting of the industry best components.

**At 51' this single drop deck crushed car hauler is precision engineered and constructed with an I Beam frame, high quality steel and is quite possibly the world's most durable and efficient crushed car trailer.**

**The single drop deck allows greater payload, lower center of gravity and shower curtain side allow for easy loading/unloading capabilities and the heavy-duty ratcheting cable system makes strapping down loads easier, faster and safer.**

**The heavy-duty Hutch® suspension provides superior load capacity, handling and comes standard with high quality steel rims and 22.5 16ply tires Tires.**

**Also standard is a containment system for capturing oil and fluids, instead of spilling fluids on the road with optional additional capture bins available.**

**The 2011 JMH Monster CCH - Crushed Car Trailer is sure to make another serious impact in the crushed car and heavy hauling industry. For over 35 years, JMH Trailers has built their reputation on manufacturing some of the toughest longest lasting heavy application trailers in the world.**
