JMH Trailers Fuel Saver Air Gate

New for 2007

JMH Trailers Announces Their “Fuel Saver Air Gate”

JMH Trailers, pioneers in heavy duty trailers unveils another industry first, The “**Fuel Saver Air Gate**” for their Steel Dump Trailer lines.

With the price of diesel fuel going through the roof, JMH Trailers has come up with the JMH Trailers super heavy duty “**Fuel Saver Air Gate.**”

If you are familiar with air gates on walking floor trailers, this is the same concept, now available on our legendary JMH Trailers steel trailers, including the Monster I & II.

And because JMH Trailers makes it, you know its tough and will last. Made with 450 HardOx steel plate and heavy-duty hinges you know this gate can take the abuse of heavy daily use by scrap, demolition, and salvage haulers.

Our customer’s tell us,

“You can really feel the difference going up a hill, you can notice a major drop in the drag, as well as at the fuel pump!”

JMH Trailers Inc., renowned innovators in the truck and trailer industry for over 30 years, has built their reputation on manufacturing some of the toughest, longest lasting heavy application trailers in the world. Some of their original steel trailers are still on the road after 30 years!

JMH Trailers Inc. – Hamburg, PA.
